SLCKGC Vs Mens' Kent Captains West Kent Golf Club - 10th August 2018

The glorious summer came to an end as two teams of 24 players met for a light lunch at West Kent G.C. Past President, Harry Wanless, the match organiser had put in place a splendid day and a break in the weather enabled us all to tee off on time. Sadly the heavens opened with thunder and lightening and the klaxon sounded for us to return to the clubhouse. Almost all had managed to play 5 holes and with some creative accounting our match manager somehow computed the individual prizes of wine. Five pairs finished equal second with 10 points and also the in first place with 12 points were the Ladies Captain, Judie Smith from Wildernesse and her partner Mens Vice Captain, Roger Cruttenden, of Wrotham Heath. Our thanks go to West Kent who organised for their catering staff to return to the club to serve the meal 2 hours earlier and for looking after us so well. Both Team Captains formally announced the result to be an Honourable Half.
