The Kent and Sussex teams at Ashford:

SLCKGC Match vs Kent Captains.

On 11th August, 28 Ladies played at West Kent GC on a beautifully sunny day in an American Greensomes Competition against Society of Kent Men's Golf Captains, 1/2 the ladies playing for the men and the other 1/2 for the ladies. The day started with lunch, teams announced, 18 holes of golf followed by a delicious 3 course meal. Great fun was had by all, sadly the SLCKGC team lost. Captain, Annie Idle as losing Captain, presented the Trophy to Men's Captain William Albery

The Society of Kent Men's Golf Captains were celebrating their 50th Anniversary and each Lady was presented with a lovely commemorative cap clip. Annie thanked William on behalf of the Ladies. William was then presented with an engraved wooden gavel, custom made by Tommy Woodpecker Woodworks in recognition of their anniversary. Congratulations to our winning ladies, Christine Farley, Trisha Cheesworth, Julie Flanders and Susan Phillips. Many thanks to Harry Wanless who organised a most enjoyable and successful day.
