There were quite a few birdie 2s covering three of the par three holes.

As Spring Meetings go there was a definite chill in the air, but it didn't rain on anyone, although there was a slight mishap with a sprinkler on 12th hole, which gave some ladies an early shower. The assistant secretary was very apologetic and the ladies were given a complimentary drink to compensate. The course was in excellent condition and from the comments of ladies who played the course, it certainly seemed to be to their liking.

Fran Fearn did a fantastic job getting all the players signed up including a last minute change for one team when Julie Flanders kindly stepped in. Despite a couple of hiccups with the club, everything worked out for the best. Results were fed into the club computer with the help of the staff and despite it taking a little longer than expected all worked out in the end. The team of helpers, Fran H. with the uniform, Sophia, Anna, Fran F, Sue B with registration and raffle ticket selling along with starters and getting all the raffle prizes out and helping set up the prize table were all amazing.

Prize giving went well and vouchers and a gift for the winners were all presented. The meal was most enjoyable and everyone seemed to have had a great day and what a wonderful start to our golfing year within the Society.
